## Dodgeball Tournament Rules

- 6 on 6 team play
- 6 balls will be used each game
- You are out if: 1) you step on or over a sideline or centerline; 2) a thrown live ball hits your body; and 3) you throw a live ball and it is caught by an opponent.
- A thrown live ball can only hit out 1 player. Thrown balls that hit the ground, the wall, other balls, or other objects before hitting the opponent are considered dead balls, and are ineligible to hit players out.
- You may block a thrown ball with a held ball. However, if you drop the blocking ball during the act of blocking, or if you fail to make a clean block (as in the thrown ball still ends up hitting or grazing your body afterwards), you are out.
- If you are out, line up on the side in the order you got out (think of it as being in an “resurrection” line). If your teammate catches a ball, the player at the start of your team’s “resurrection” line comes back into play (the teammate must be in the line at the time of the catch to be eligible to be brought back in).
- You can only hold a ball for 10 seconds, afterwards, it will be considered dead. Dead balls need to be rolled over immediately to the other team.
- Games will have a 5 to 10-minute time limit depending on the number of teams participating. In the event of a game timing out the team with the most remaining players in the game is awarded the victory.
- There will be no time limit on the championship game.
- A church group may have as many participating teams as they’d like as long as there are only 6 players on any one team.
- Have fun, and show sportsmanship
